## Introduction to **SCRUM Master - All 4 stages**

SCRUM Master - All 4 stages course teaches you how to become a proficient and professional Scrum Master, who can guide and support Scrum Teams through all the stages of Scrum: Initiation, Planning, Execution, and Closure. It covers topics such as Scrum theory and principles, Scrum roles and responsibilities, Scrum events and artifacts, Scrum metrics and reporting, and Scrum scaling and integration. It also prepares you for the Scrum Master certification exams from Scrum.org, Scrum Alliance, and other organizations.

# Why Choose Chools?

## Numbers That Speak for Themselves:

- **10,000+ Successful Alumni:** Join a network of impactful professionals.
- **95% Job Placement Rate:** Secure your future with Chools' proven track record.
- **20+ Years of Excellence:** Trust in a legacy of education and industry expertise.
- **200+ Industry Partnerships:** Leverage our connections for real-world insights and opportunities.

## What Sets Us Apart?

- **Expert Instructors:** Learn from industry veterans with hands-on experience.
- **Hybrid Learning Model:** Balance online flexibility with in-person engagement.
- **Comprehensive Curriculum:** Stay ahead with courses designed to meet market demands.
- **Community and Networking:** Be part of an active community of learners and professionals.

## Who Can Apply?

### Eligibility Criteria:

- **Certified ScrumMaster (CSM):** There are no formal prerequisites, but you must attend a CSM course and pass the CSM exam.
- **Advanced Certified ScrumMaster (A-CSM):** You must have a valid CSM certification, at least 12 months of work experience as a Scrum Master in the last five years, and attend an A-CSM course.
- **Certified Scrum Professional - ScrumMaster (CSP-SM):** You must have a valid A-CSM certification, at least 24 months of work experience as a Scrum Master in the last five years, and attend a CSP-SM course.
- **Professional Scrum Master (PSM):** There are three levels of PSM certification: PSM I, PSM II, and PSM III. You must pass the corresponding online exam for each level, and there are no formal prerequisites or courses required. However, it is recommended that you have some Scrum knowledge and experience before taking the exams..

## Ideal Candidates:

Working professionals looking to advance their careers in SCRUM Master - All 4 stages.

## Program Overview

The SCRUM Master - All 4 stages Emerging Business Program provides an extensive education in SCRUM Master - All 4 stages . Our curriculum ensures a comprehensive understanding through four progressive stages, combining theoretical knowledge with practical, hands-on experience.
