Introduction to CHFP Program

Imagine mastering the financial intricacies of healthcare, guiding organizations towards financial health and sustainability. The Certified Healthcare Financial Professional (CHFP) designation is designed for financial professionals, clinical and nonclinical leaders, and health plans who seek to enhance their expertise in healthcare finance, business, and strategy. This course covers crucial topics, including risk mitigation, evolving payment models, healthcare accounting and cost analysis, strategic finance, and managing financial resources. It prepares you comprehensively for the CHFP exam, ensuring you meet the high standards required for the CHFP credential.

Why Choose Chools?

Numbers That Speak for Themselves:

- **10,000+ Successful Alumni:** Join a network of impactful professionals.
- **95% Job Placement Rate:** Secure your future with Chools' proven track record.
- **20+ Years of Excellence:** Trust in a legacy of education and industry expertise.
- **200+ Industry Partnerships:** Leverage our connections for real-world insights and opportunities.

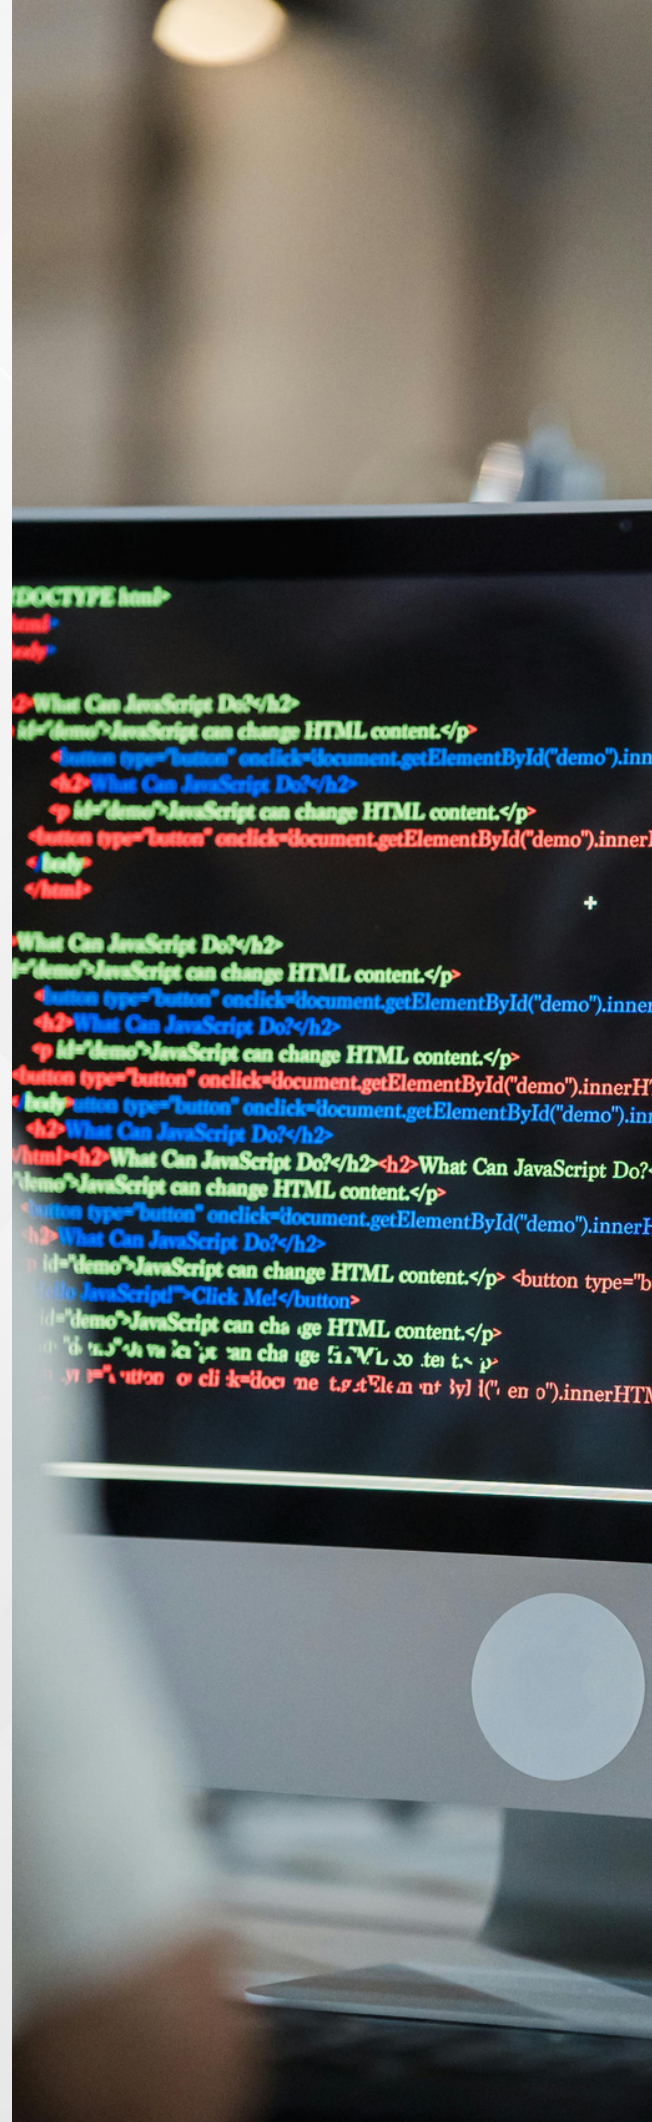

What Sets Us Apart?

- **Expert Instructors:** Learn from industry veterans with hands-on experience.
- **Hybrid Learning Model:** Balance online flexibility with in-person engagement.
- **Comprehensive Curriculum:** Stay ahead with courses designed meet market demands.
- **Community and Networking:** Be part of an active community of learners and professionals.

Who Can Apply?

Eligibility Criteria:

- HFMA professional or business partner with an all-access membership, including student members.

- Completion of two modules: HFMA Business of Health Care® and Operational Excellence.
- Passing an online final exam for each module.

Program Overview

The CHFP Program provides a comprehensive education in healthcare finance, business, and strategy. Our curriculum covers a wide range of topics to ensure a thorough understanding, combining theoretical knowledge with practical, hands-on experience.

Learning Mode:

- **Hybrid Learning Model:** Combines online learning with in-person sessions for flexibility and interactive engagement.
- **Interactive Sessions:** Includes live webinars, workshops, and Q&A forums with expert instructors and peers.
- **Self-paced Learning:** Access course materials anytime, allowing you to learn at your own pace.

PROGRAM OBJECTIVES

- Build knowledge and skills in healthcare finance and business strategy.
- Understand risk mitigation and evolving payment models.
- Master healthcare accounting and cost analysis techniques.
- Learn about strategic finance and managing financial resources in healthcare.
- Prepare for the Certified Healthcare Financial Professional (CHFP) exam.
