# Appreciative Inquiry Techniques Program

## Introduction to Appreciative Inquiry

Welcome, future change facilitator! 🌟 The Appreciative Inquiry Techniques course teaches participants how to use methods and tools that help people and organizations discover, appreciate, and leverage their strengths and potentials. Some of the common techniques are positive questions, positive stories, provocative propositions, appreciative interviews, and appreciative summits. These techniques can help to foster positive emotions, energy, creativity, and change in various contexts and settings. 🚀

### Why Choose Chools? 🏆 Numbers That Speak for Themselves:

- 10,000+ Successful Alumni: Join a network of impactful professionals.
- 95% Success Rate: Secure your future with our proven track record.
- 20+ Years of Excellence: Trust in a legacy of education and industry expertise.
- 200+ Industry Partnerships: Leverage our connections for real-world insights and opportunities.

### What Sets Us Apart?

- Expert Instructors: Learn from industry veterans with hands-on experience.
- Hybrid Learning Model: Balance online flexibility with in-person engagement.
- Comprehensive Curriculum: Stay ahead with courses designed to meet market demands.
- Community and Networking: Be part of an active community of learners and professionals.

# WHO CAN APPLY?

## ELIGIBILITY CRITERIA:

- A Bachelor's degree or Diploma.
- At least one year of professional experience in managing people.

## IDEAL CANDIDATES:

Professionals aiming to advance their careers in organizational change and development and earn a globally recognized credential.
