Certified Management & Organization Excellence Program – ASQ

Introduction to CMQ/OE

Welcome, future leader in quality and organizational excellence! 🌟 The Certified Management & Organization Excellence - ASQ course prepares participants for the ASQ Certified Manager of Quality/Organizational Excellence (CMQ/OE) exam, a credential that demonstrates the ability to lead and champion process-improvement initiatives in various service and industrial settings. The course covers topics such as the principles and practices of quality and organizational management, the tools and techniques for data collection, analysis, and decision-making, the methods and strategies for planning, implementing, and evaluating change, and the skills and competencies for leading and communicating with teams and stakeholders. 🚀

Why Choose Chools? 🏆 Numbers That Speak for Themselves:

- 10,000+ Successful Alumni: Join a network of impactful professionals.
- 95% Success Rate: Secure your future with our proven track record.
- 20+ Years of Excellence: Trust in a legacy of education and industry expertise.
- 200+ Industry Partnerships: Leverage our connections for real-world insights and opportunities.

What Sets Us Apart?

- Expert Instructors: Learn from industry veterans with hands-on experience.
- Hybrid Learning Model: Balance online flexibility with in-person engagement.
- Comprehensive Curriculum: Stay ahead with courses designed to meet market demands.
- Community and Networking: Be part of an active community of learners and professionals.

WHO CAN APPLY?

ELIGIBILITY CRITERIA:

- 10 years of on-the-job experience in one or more areas of the CMQ/OE Body of Knowledge.
- A minimum of five years in a decision-making position, defined as the authority to define, execute, or control projects/processes and be responsible for the outcome. This may or may not include management or supervisory positions.
- A degree from an accredited college, university, or technical school can waive part of the 10-year experience requirement

IDEAL CANDIDATES:

Individuals motivated to achieve personal and professional goals and earn a globally recognized credential.

PROGRAM OVERVIEW

The Certified Management & Organization Excellence Program provides extensive education in quality and organizational management practices. Our curriculum ensures a comprehensive understanding through four progressive stages, combining theoretical knowledge with practical, hands-on experience.
